Re: Docket No. 2006-327-WS-Petition of the Office of Regulatory Staff,  
Plaintiff v. Wyboo Plantation Utilities, Inc

Dear Public Service Commission;

We have received your notice dated June 30, 2008. It is our understanding that Wyboo Plantation Utilities, Inc has been ordered to pay to publish at its own expense, notice of filing in the newspapers and by US mail.

Wyboo Plantation Utilities, Inc as of this date complied with all of PSC's findings, which were heard in the prior hearings. However, it's our rstanding that Wyboo Plantation Utilities, Inc cannot afford this extra expense. It is our belief, that we are giving our customers the best possible service. Any extra expense would take away from our customers and our other creditors.

We would welcome the chance to meet with the Commission to try and explain these complaints because Wyboo Plantation Utilities, Inc does not presently have an Attorney and cannot afford one. If the commission would kindly consider waiving the US mailing, Wyboo Plantation Utilities, Inc could possibly accept the expense of publishing this notice in the newspaper.

Please feel free to contact us should you need additional information at (803) 774-2010. Thanks for your time into this matter.

Sincerely,

*Mark S. Wrigley*
